

Pink Heals Financial Request Form

Our mission, "The Program is about our community, our family, our neighbors and our leaders and how it will help bring us back together to focus on our own people, rather than on promises that were never kept, opportunities that were lost and things that might have been. Pink will heal as long as we do it in service to our women and what they mean to us in our communities, not just because they are sick or stricken with cancer, because if we use illness as the sole motivation for action, once the sickness is gone, so is the cause for coming together." Dave Graybill

To be eligible for financial assistance, you must currently be receiving treatment for cancer or in Hospice for a cancer diagnosis and live in Manitowoc County.

Pink Heals Manitowoc County, Mishicot WI Chapter, Inc.

What is “Pink Heals”?

Mishicot Ambulance and Fire Department have joined forces to bring the Pink Heals movement to Manitowoc County. Pink Heals is a movement created by Dave Graybill, who is a retired fire fighter, from the City of Glendale, Arizona Fire Department. Across the United States and Canada, there are currently more than 150 Pink Fire Trucks. These Pink Fire Trucks are named after women or children who are battling cancer or have passed away from cancer. The fire trucks are signed by anyone who has been touched by cancer. The color Pink represents Women, not a disease! “We wage war on anything that may affect her and we picked a terrorist called Cancer!” Pink Heals is about men supporting women in their fight against the terrorist, Cancer!

Our Mission statement is:

“The Program is about our and our leaders and how it will help own people, rather than on promises were lost and things that might have service to our women and what they mean to us in our communities, not just because they are sick or stricken with cancer. Because if we use illness as the sole motivation for action, once the sickness is gone, so is the cause for coming together.” Dave Graybill

The money we raise stays right here in Manitowoc County. Our “Direct Care Assistance Program” is funded by the sale of our merchandise and fundraisers. We will help men, women, and children, by paying a bill, which they may not have the money to pay. The recipients in need of financial assistance must be currently in treatment. If there is a greater need, we will assist with a fundraiser or food or clothing drive to help. If you know someone in need of assistance, please contact Missy at, 920-755-2352 or Ann at 920-755-4220, or email us at mishicotwipinkheals@gmail.com.

We have t-shirts, sweatshirts, wrist bands, chili spices and key chains, which we sell at events. We would love to see all of Manitowoc County turn “Pink” for our “Cares Enough to Wear Pink” days on October 25, 26 & 27.
