

April 4, 2017

Dear Business Owner/Manager,

Pink Heals Manitowoc County is a non-profit organization that financially assists women, men and children who are battling any type of cancer in Manitowoc County. Pink Heals is made up of all volunteers and 100% of donations are given back to Manitowoc County cancer patients through our Direct Care Assistance (DCA) program. Since 2013 we have given over \$100,000 to recipients of our DCA program.

It is because of the generous donations and support from local businesses that we are able to assist those in need. Today, we kindly ask if your business would be interested in supporting Pink Heals by donating to our 16th Annual Pink Heals Golf Classic being held on June 14, 2017.

We have a number of options to choose from:

1. Become a Corporate Sponsor for the cost of \$500, which includes:
 - Banner at Clubhouse, Complimentary Foursome, Signage at Tee and Program Recognition
2. Become a Hole Sponsor for the cost of \$100, which includes,
 - Signage at Tee, Program Recognition
3. Interested in golfing? Put a foursome together and sponsor the team for \$220.
4. Provide a raffle basket to be raffled at the golf outing.
5. Include business cards, brochures or other items to put in our registration bags to advertise your business for those participating in our golf outing.

We look forward to your response and hope that you are able to donate to any one of the options above. Again, all money donated stays in Manitowoc County and goes towards financially supporting those battling any type of cancer. We sincerely thank you for your time and support!

Questions? Need more information? Please contact:

Patti Palubicki (Golf Outing Chair) at (920) 905-3106 or pattiphmc@gmail.com -or -
